

Control Measures for running practice events at Mildenhall Stadium during COVID-19 Pandemic (April 2021)

Information to protect drivers and their assistants

AS PART OF THE SOCIAL DISTANCING RULES, WE HAVE INTRODUCED A PAYMENT SYSTEM WHICH WILL ACT AS ACCEPTANCE OF THE TERMS AND CONDITIONS WITHIN THIS DOCUMENT AND FORM A CONTRACT TO ATTEND THE EVENT.

- Drivers must book in advance.
- There will be no sign-in sheet required and the payment will form the contract whereby agreeing to the terms and conditions of the event contained within this document.
- It will strictly be one driver and a maximum of two crew members. No additional persons will be permitted. The grand total per social bubble will be in accordance with the government guidelines.
- Drivers and crew members **MUST** provide their own face coverings for the event and these **MUST** be worn throughout the event. They **MUST** cover the nose and mouth and be fitted before entering the stadium.
- Drivers to arrive at track and wait on the roadside, outside of the stadium premises, parking in a considerate manner until instructed to enter the pits.
- Travel to pit area as instructed by the pit marshal. No space saving will be allowed. Transporters must be parked in a manner to maintain a minimum distance of 2 metres between each one as instructed.
- Follow instructions given, Communication will be undertaken verbally using social distancing guidelines and supported via a raceciever set to channel 952 (Frequency 461.8875) where appropriate, it would assist to have this in before entering the stadium.
- Entry and exit to the track will always be in the direction of racing, even after the session.
- Should you breakdown on track and require assistance, you must remain in your car until the track is made safe, a recovery vehicle will attend and communicate to you verbally using social distancing guidelines and supported via your raceciever. ***You must NOT try to take control of the situation yourself.***
- Should you require first aid then this will be provided, but you **MUST** follow the instructions of the first aid staff.
- This event is a practice event and normal rules apply.
- Each driver and crew member must create and police their own social bubble when within the perimeter of the venue. Should more than one vehicle arrive on the same transporter (I.E, 2 cars) then that bubble may extend to those crew members associated with both cars.
- Maintain a social minimum distance of 2 metres at all times, unless it's not possible (i.e. – when repairing a car) On the occasions where the 2-metre rule is unachievable then a 1 metre plus PPE **MUST** be adhered too. This is mandatory.
- Repairs to cars must be undertaken by the named crew members of the driver and there will be strictly **NO** interaction with other teams/drivers (you must remain in your own social bubble).
- **NO** borrowing or loaning of parts will be permitted as there would have to enter someone else's bubble.
- When crew members are spectating, you must maintain a minimum social distance of 2 metres (there is no reason to be at 1 metre plus).
- Once the event has been completed please leave the stadium following the one-way system as directed by the track staff.
- Anyone not observing the above measures will be evicted from the stadium and additional action may be taken.
- There will be no refunds for short or cancelled sessions unless by the promoter prior to the event.

- A water point will be provided, and this must be used in a manner where social distancing is always adhered to). A suitable supply of hand sanitiser must be made available at these points.
- Should the driver or their assistant develop any symptoms prior to the event, they must cancel and not attend.
- If you develop any symptoms after the event, you must inform the promoter so that anyone affected from your session can be informed, you must then follow government advice on isolation.
