Welcome

Welcome to the world of Spedeworth Motorsports – Europe’s leading oval motorsport promoters!

Spedeworth Motorsports has been at the pinnacle of oval motorsport for over 50 years and runs over 100 racing events throughout the year at tracks all over the UK; from the South of England, East Anglia, the Midlands, Northern Ireland to Scotland and all points in between.

Our racing events are attended by many thousands of people and we pride ourselves on promoting a family sport. The BBC once described short oval racing as “motorsport’s best kept secret” – ***that secret is now out!*** Our sport is unique within motorsport in that every part each of our racing circuits is visible to the viewing public at all times – offering an unparalleled vantage point from which to enjoy the action on track.

Becoming a sponsorship partner of Spedeworth Motorsports, or one of our events, offers a tremendous endorsement and ultimately affords the public with an increased awareness and greater knowledge of your company name and the products and services that you can provide.
